2018/2019 WC4HHA "Approved" County

Level Clinics and Noteworthy Events

At any event that is not a horse show, you MUST sign the attendance sheet in order for that event to count towards the membership requirement. In June, the WC4HHA Board will confirm clinic attendance data with each club project leader.

It is the 4-H member's responsibility to communicate with their respective project leader to confirm that clinic attendance requirements have been met in order to be eligible for year-end WC4HHA show circuit awards and be considered a 4-H member in good standing to be eligible to compete at the WI State 4-H Horse Expo.
